

Hi Boston, here we are again!

17-23 Sep 2019

**27th International Conference of FFC
–
15th International Symposium of
ASFFBC
Functional Foods, Bioactive
Compounds and Biomarkers: Health
Promotion and Disease Management**

**Joseph B. Martin Conference Center at
Harvard Medical School, Boston, MA, USA**

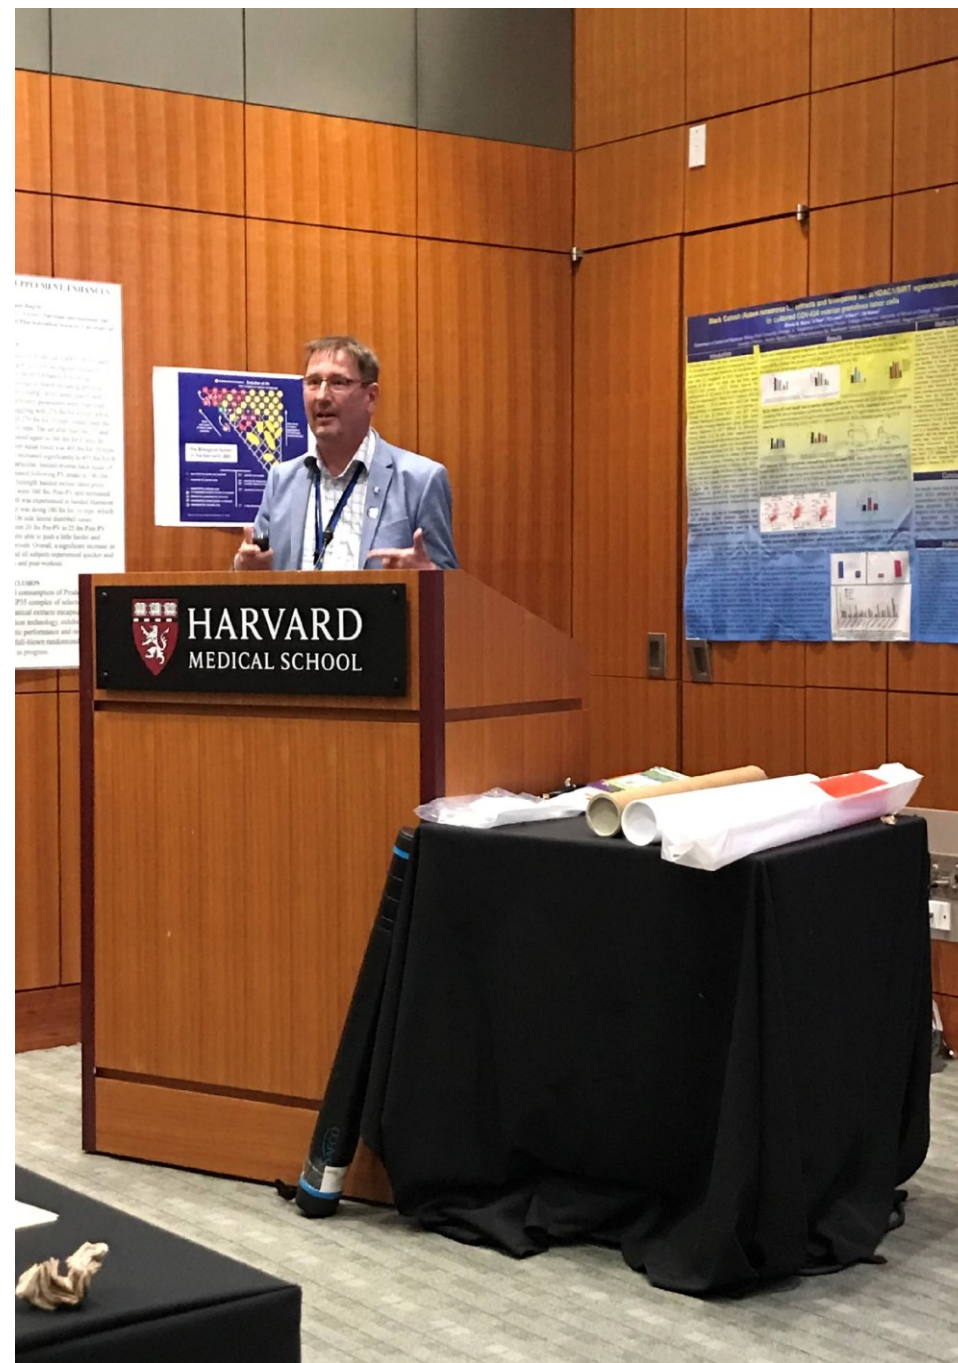

Joseph B. Martin
Conference Center

at

Harvard Medical
School, Boston,
MA, USA

Bernd's lecture:

**From the Age of Information Technology
to the Age of Psychology –
The SUPERESSENTIALITY of Chemical Element Lithium**

Impressions of
the lecture room

Participants of the conference

Downtown Boston:
Dinner with our friend and
colleague
Danik Martirosyan,
the President of the
Functional Foods center at
Dallas USA and organisator
of the present conference.
We know him already over
3 years, and we met him
one week later in Armenia
where Danik has been born.

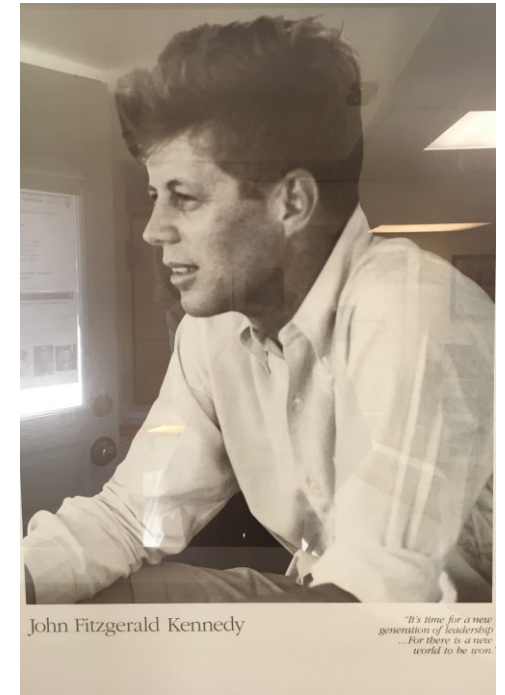

Harvard Campus

CHAIN OF LIFE, in the beginning
Science Centre of Harvard University

You have to visit the Presidential Library and Museum in Boston

Of course, if you are in Boston, then you have to follow in the footsteps of JFK.

Original desk of JFK

All this will not be finished
in the first one hundred days.
Nor will it be finished
in the first one thousand days,
nor in the life
of this Administration,
nor even perhaps
in our lifetime on this planet.
But let us begin.

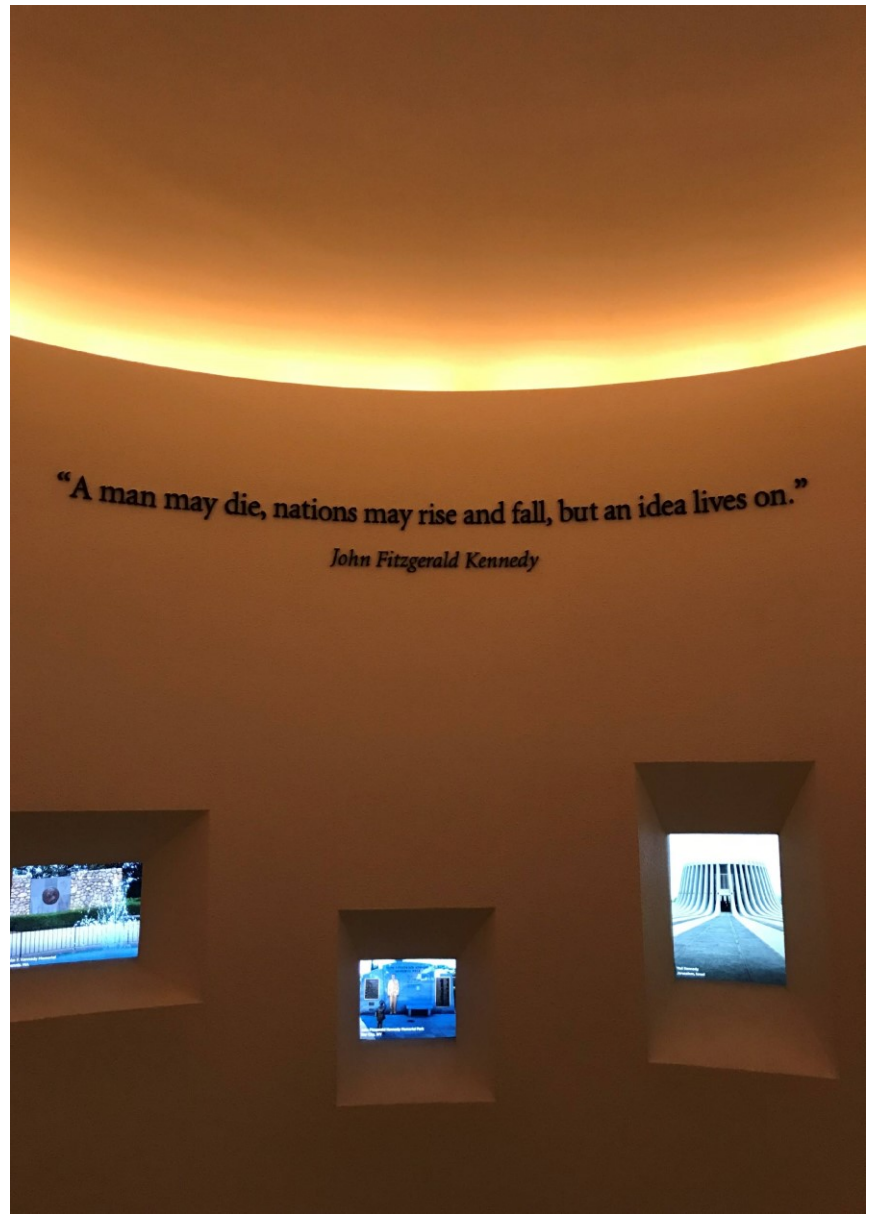

Inaugural Address

Birthplace of JF Kennedy in Brookline

Last day in Boston: Before driving to the airport we had the possibility to visit the birthplace of JFK nearby in Brookline.

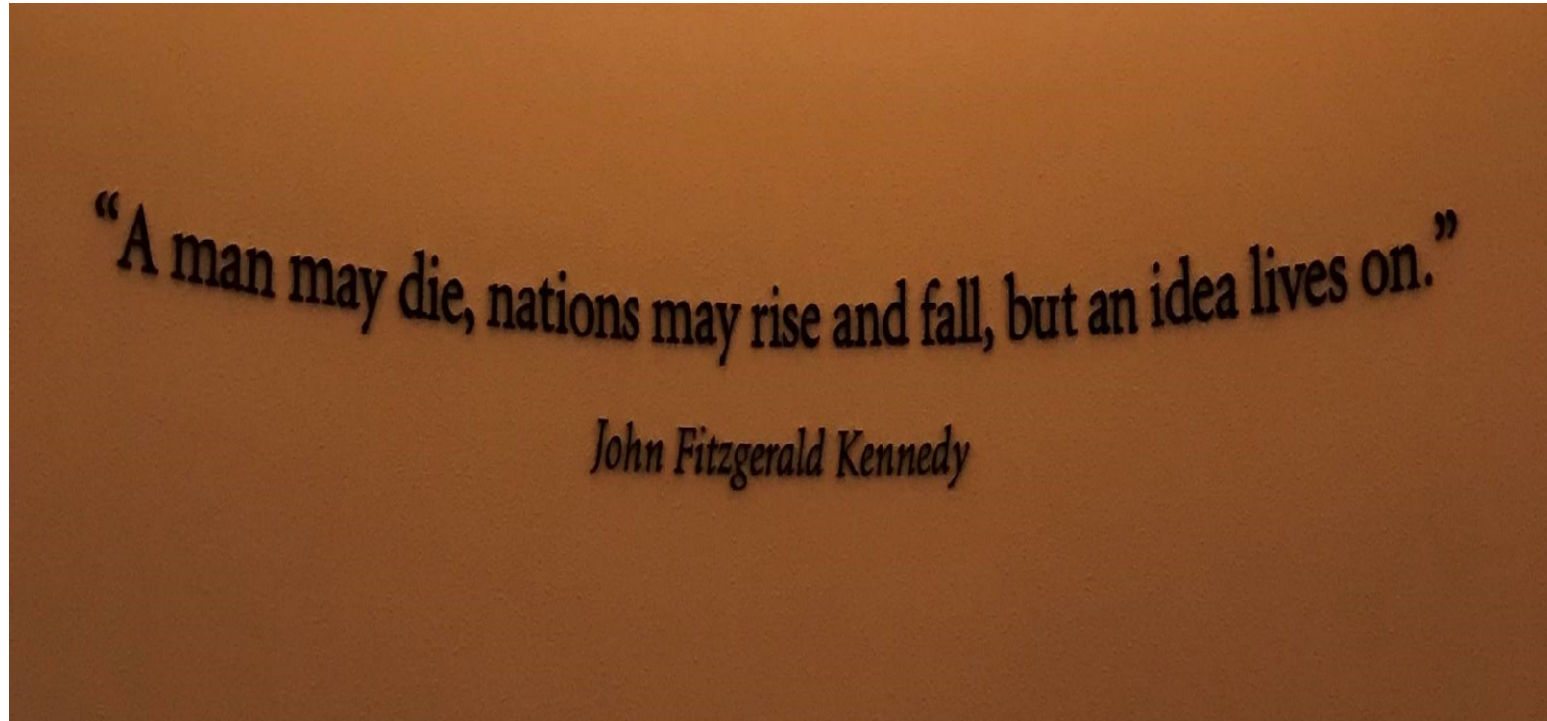

The sleeping room where JFK has been born.

Robert and JF Kennedy

Dining room: this was the small table of the brothers Robert and JF Kennedy

We flew back to Germany on 23 Sep 2019, stayed some hours at home and flew on directly to Armenia.
